3. In connection with Chairman Jo	enner's request to the Secretary of	
Commerce for the names, past and prese	nt, of those who have served on EDAC	
and the Advisory Committee on Export Po	olicy and its subcommittees,	STA
said that there would be no objection to in	cluding the names of Dr. Guthe and	
	if their inclusion were consistent	
STATMessrs. with Agency policy. I have discussed this		STA
Security standpoint, and it is his opinion	that it might be best to have the Depart-	017
ment of Commerce note in its reply that t	hese Committees have included repre-	
sentatives of CIA for the supplying of fact	mal data, but that the names of the	
Agency participants are not subject to rel	lease by the Department of Commerce,	STA
and that they would have to refer the Chai	rman to ClA on this matter. M	
and that they would have to refer the date.	onnel, and points out in particular that	i
STA Dr. Guthe occasionally attends map confe	rences and similar meetings as a State	
Department consultant. Dr. Guthe, who	called me today on this matter, indicates	
that he no longer maintains this consultant	the canacity While an answer such as is	
that he no longer maintains this consumant	sest direct to CIA from Chairman Jeaner,	
indicated above may serve to encir a redi		
it is felt that this is a preferable alternat	ive for we can explain to the Chairman	*
that we do not desire to release the same	is of GIA personnel because they often	
rotate, and publicity regarding these nam	ges would make it impossible to send	
some of this personnel overseas.	29 Sept. 5-4
